**Make IATEFL a cornerstone of your institution or department's professional development.**

**Perhaps the most effective, and cost-effective, way to develop, share and make professional contacts.**

## 10 benefits of IATEFL Institutional Membership:

1. Join a global community of English language teaching professionals, institutions and ELT associations.
2. Provide management and academic staff with a range of cost-effective professional development opportunities.
3. Enjoy free webinars on a range of ELT-focused topics.
4. Participate in our free 3-day ELT Web Conference each November.
5. Get substantial discounts for up to 4 staff members for our local events around the world, as well as our UK-based International Conference and Exhibition each April. A great way to build their, and your, CPD portfolio.
6. Up to 4 staff members can apply to be a presenter at any of our events, webinars or at conference.
7. Access to nearly 30 scholarships offering assistance for staff members to attend and present at our conference.
8. Join one, or more, of our 16 Special Interest Groups (SIGs) covering all areas of the ELT professional: from Management to Materials Writing, Business English to Young Learners, and Assessment to Teacher Development. Each SIG has its own website, events, webinars, publications and events: 28 events in 6 countries in 2016.
9. Copies of our bi-monthly professional journal, IATEFL Voices, and annual Conference Selections for your staff room.
10. The opportunity to build the profile of your institution through membership and participation, and have the option to take it a step further by advertising, sponsoring or perhaps funding a scholarship.

**All this for just £176 per year (2016-17) - less than the cost of many one day training courses for one member of staff. Additional £33 per year for each SIG your institution wishes to join.**
